# REGISTRATION FORM FOR LITTLE EINSTEINS SCIENCE CLUB

**Objective:** This club is designed to introduce students to the wonder of science outside of their everyday classroom experience. The mission of every activity is to excite the students with hands-on work and experimentation. All first through 3rd graders are encouraged to apply, but there will be some repeat experiments from other sessions. The students will work in groups of 4. I will go over the scientific method during the one hour meeting. For every experiment, we will go over the Research Question, Hypothesis, Procedure, Results, and Conclusion

Name of Student: \_\_\_\_\_

Grade: \_\_\_\_\_

Parent's name: \_\_\_\_\_

E-mail: \_\_\_\_\_

\_\_\_\_\_ My child will be picked up each week at 4pm
